

# “COMMUNITY ACTION” PROJECT FORM

The Problem:

---

---

---

---

---

---

---

---

---

---

The Solution:

---

---

---

---

---

---

---

---

Why I'm (we're) uniquely qualified to deliver the solution:

---

---

---

---

---

---

---

---

What exactly did I (we) do to implement this idea?

---

---

---

---

---

---

---

---

---

---

What resources did I (we) need to implement the solution?

---

---

---

---

---

---

---

---

---

---

How many people did I (we) need to make this happen?

---

---

---

---

---

---

---

---

---

---

What obstacles did I (we) encounter?

---

---

---

---

---

---

---

---

---

---

How were these setbacks handled?

---

---

---

---

---

---

---

---

---

---

How can I (we) spread the word to other communities?

---

---

---

---

---

---

---

---

---

---

How will I (we) know that it's working?

---

---

---

---

---

---

---

---

---

---
